PART 1 – INTRODUCTION

1.1 GENERAL

The Housing Authority of the City of Columbia, SC (Columbia Housing or CH) is seeking proposals from qualified contractors to provide uniformed security services at our high-rise senior buildings.

The selection process under this Request for Proposals will result in the approval of one vendor for a one-year contract with up to four one-year renewals.

1.2 BACKGROUND

COLUMBIA HOUSING - The Housing Authority of the City of Columbia, SC, was created under the 1937 Housing Act for the purpose of providing decent, safe, and sanitary housing to the low and moderate-income residents of the City of Columbia and Richland County. Today, Columbia Housing is the largest housing authority in the State of South Carolina, serving nearly 6,500 low-income households and over 16,000 individuals throughout the City of Columbia, Cayce, and Richland County.

Columbia Housing owns and manages a variety of affordable housing units and administers Section 8 Housing Choice Vouchers along with a myriad of supportive service programs for residents.

A seven-person Board of Commissioners authorized by the laws of the State of South Carolina and appointed by the Mayor of Columbia is responsible for the development of housing policy and the authorization of expenditures.

PART II – SCOPE OF SERVICES

2.1 GENERAL REQUIREMENTS

Purpose - As with many urban Public Housing Authorities, Columbia Housing has encountered the difficulties of managing an aging housing stock with diminishing federal funding.

In an effort to change the face and character of traditional public housing in the City of Columbia, Columbia Housing has embarked on an aggressive plan to reposition the Public Housing portfolio, revitalize its non-federal portfolio, and expand affordable housing opportunities in the City of Columbia and Richland County.

This Request for Proposals is to approve one vendor that can assist Columbia Housing with security services at certain locations. **As repositioning takes place, the locations in need of security will vary and change within the next three years.**

Expectations and Priorities – Columbia Housing seeks to ensure a safe environment for its employees, residents, and the public it serves. We are committed to maintaining a safe and secure working and living environment that is free from violence, improper or disruptive behavior and for the protection of our facilities and families.

Contract security personnel will provide a variety of services, implementing Columbia Housing's security objectives according to policies and procedures, which may include but are not limited to the following general tasks:

- Monitoring and responding to base building intrusion detection systems, alarms, and fire detection equipment,
- Responding as necessary to support other life safety duties as identified in post orders and standard operating procedures.

The contractor shall provide appropriate and necessary management and supervision for all Contractor's employees and shall be solely responsible for instituting and invoking disciplinary action against employees not in compliance with the Contractor's rules and regulations and any other policy established by the contracting parties.

The contractor shall develop a comprehensive set of Post Orders documenting both general procedures as well as site-specific responsibilities. Post Orders shall be prepared prior to the commencement of the contract and must be reviewed and approved by Columbia Housing management within thirty (30) days from the commencement of the Contractor's services to Columbia Housing. All security officers will be required to read and verify that they understand the Post Orders and, at minimum, shall be tested during the On-The-Job Training (OJT) period, annually or more frequently during site inspections.

The contractor shall ensure the hiring, training, and administration of motivated and professional employees that meet or exceed both the Contractor's and Columbia Housing's standards.

The contractor is responsible for the daily personal appearance of security personnel. The contractor shall provide seasonal uniforms and weather-appropriate protective clothing necessary to support the continuous performance of contract requirements. Security officers are prohibited from carrying weapons of any kind, including but not limited to firearms, nightsticks, martial arts weapons or equipment, batons, or any chemical agent spray or liquid.

The contractor shall agree to remove from the site, whenever required to do so by Columbia Housing, any employee considered by Columbia Housing to be unsatisfactory or undesirable to Columbia Housing within the limits of any applicable laws.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

- (b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.

16. Equal Employment Opportunity

During the performance of this contract, the

Contractor/Seller agrees as follows:

(a) The [contractor/seller] will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, disability, or national origin. The

[contractor/seller] will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, disability, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The [contractor/seller] agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(b) The [contractor/seller] will, in all solicitations or advertisements for employees placed by or on behalf of the [contractor/seller], state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, disability, or national origin.

(c) The [contractor/seller] will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the [contractor/seller]'s legal duty to furnish information.

(d) The [contractor/seller] will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the [contractor/seller]'s commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(g) In the event of the [contractor/seller]'s non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the [contractor/seller] may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

SECTION 3 PLAN

SECTION 3 REQUIREMENTS

General - Section 3 is a provision of the Housing and Urban Development Act of 1968. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low- and very low-income persons.

Section 3 Worker - A Section 3 worker is any worker who currently fits, or when hired within the past five years fit, at least one of the following categories, as documented:

1. The worker's income for the previous or annualized calendar year is below the income limit established by HUD.
2. The worker is employed by a Section 3 business concern.
3. The worker is a YouthBuild participant.

Section 3 Targeted Worker - A Section 3 targeted worker for Public Housing Financial Assistance projects is a Section 3 worker who:

1. Is employed by a Section 3 business concern; or
2. Currently fits or when hired fit at least one of the following categories, as documented within the past five years:
 - a. A resident of public housing or Section 8-assisted housing;
 - b. A resident of other public housing projects or Section 8-assisted housing managed by the PHA that is providing the assistance; or
 - c. A YouthBuild participant.

Section 3 Business Concern - A Section 3 business concern is a business that meets at least one of the following criteria, documented within the last six-month period:

1. At least 51 percent owned and controlled by low- or very low-income persons;
2. Over 75 percent of the labor hours performed for the business over the prior three-month period are performed by Section 3 workers; or
3. A business at least 51 percent owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing.

Applicable Income Limits – Section 3 eligible workers are low- and very low-income persons. Income limits are established at 80 percent (low) and 50 percent (very-low) of the area median individual income. Income limits are published annually by HUD. An eligible Section 3 worker must meet the following criteria:

1. The worker's income for the previous or annualized calendar year is below the income limit established by HUD;
2. The worker is employed by a Section 3 business concern; or
3. The worker is a YouthBuild participant.

YouthBuild - YouthBuild is a community-based pre-apprenticeship program that provides job training and educational opportunities for at-risk youth ages 16-24 who have previously dropped out of high school. YouthBuild participants learn vocational skills in construction, as well as in other in-demand industries that include health care, information technology, and hospitality. Youth also provide community service through the required construction or rehabilitation of affordable housing for low-income or homeless families in their own neighborhoods.

Section 3 Benchmarks – The HUD required benchmark for Section 3 workers is set at 25 percent or more of the total number of labor hours worked by all workers employed with public housing financial assistance in the PHA's fiscal year. The benchmark for Targeted Section 3 workers is set at 5 percent or more of the total number of labor hours worked by all workers employed with public housing financial assistance in the PHA's fiscal year. The 5 percent is included as part of the 25 percent threshold.

Threshold Amount - Funding thresholds are minimum dollar amounts that trigger Section 3 requirements. There are no thresholds for public housing programs; Section 3 applies to all public housing financial assistance funds, regardless of the amount of assistance from HUD.

Activities to Meet Benchmarks - If reporting indicates that the agency has not met the Section 3 benchmarks, the agency must report in a method prescribed by HUD the qualitative nature of its activities and those its contractors and subcontractors pursued. Such qualitative efforts may, include but are not limited to the following:

- Engaged in outreach efforts to generate job applicants who are Targeted Section 3 workers.
- Provided training or apprenticeship opportunities.
- Provided technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).
- Provided or connected Section 3 workers with assistance in seeking employment including: drafting resumes, preparing for interviews, and finding job opportunities connecting residents to job placement services.
- Held one or more job fairs.
- Provided or referred Section 3 workers to services supporting work readiness and retention (e.g., work readiness activities, interview clothing, test fees, transportation, childcare).
- Provided assistance to apply for/or attend community college, a four-year educational institution, or vocational/technical training
- Provided technical assistance to help Section 3 business concerns understand and bid on contracts.

- Divided contracts into smaller jobs to facilitate participation by Section 3 business concerns.
- Provided bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.
- Promoted use of business registries designed to create opportunities for disadvantaged and small businesses.
- Outreach, engagement, or referrals with the state one-stop system as defined in the Workforce Innovation and Opportunity Act

Materials Contracts - Section 3 does not apply to material only contracts or those that do not require any labor.

Project Based Voucher Contracts - Section 8 project-based voucher housing assistance payment contracts, are not covered by the statute, including properties converted through the Rental Assistance Demonstration (RAD).

Professional Services Contracts - Professional service contracts for non-construction services that require an advanced degree or professional licensing are not required to be reported as a part of total Section 3 labor hours. However, professional services staff labor hours are permitted to be reported and PHAs will be given credit for reporting opportunities created for professional services by including professional services labor hours in the numerator, and not in the denominator, of the reported outcome ratios. The reporting structure in the rule allows a recipient to count any work performed by a professional services Section 3 worker or Targeted Section 3 worker as Section 3 labor hours and as Targeted Section 3 labor hours (i.e., in the numerator of the calculation), even when the professional services as a whole are not counted in the baseline reporting (i.e., in the denominator of the calculation).

Section 3 Worker Capacity - Section 3 is not an entitlement program; therefore, employment and contracts are not guaranteed. Low- and very low-income individuals and Section 3 business concerns must be able to demonstrate that they have the ability or capacity to perform the specific job or successfully complete the contract that they are seeking.

Temporary Versus Long Term Employment – PHA's, developers, and contractors are required, to the greatest extent feasible, to direct employment opportunities to low- and very low-income persons, including seasonal and temporary employment opportunities. Benchmark goals include the calculation of all Section 3 worker and Targeted Section 3 Worker labor hours as a percentage of all labor hours worked on a project. Long term employment opportunities are encouraged but not required under Section 3.

Best efforts/Greatest Extent Feasible – Contractors/subcontractors are expected to use their best efforts to the greatest extent feasible to comply with all requirements set forth under Section 3 regulations and Columbia Housing's Section 3 Plan and Procedures. These terms are statutory and HUD uses both terms to track compliance. These terms are integral to the statutory intent and provide flexibility, rather than administrative burden. HUD does define the difference between these two terms but rather places emphasis on outcomes as a result of these efforts. Contractors/subcontractors reported results will be compared to the outcome metrics of the benchmark requirements.

SECTION 3 PROCEDURES

Qualified Applicants - Through its Resident Services Programs, Columbia Housing will work with Service Partners that offer job readiness programs and training in day-to-day employment skills and apprenticeship programs to establish a pool of qualified applicants for referral to contractors procured by Columbia Housing.

The Resident Services Staff will identify and maintain a list of Section 3 Residents interested in employment and training opportunities. Columbia Housing will conduct preliminary screening of all applicants referred to contractors. This screening shall include a criminal background check and a drug screening, as applicable. Columbia Housing will match applicant skills to the available Section 3 positions and issue a formal referral to the corresponding contractor.

Applicants for available positions shall be referred in the order listed below.

1. Current or former residents of the property where the work is to be performed. Former residents are defined as individuals listed on a CH lease agreement at the time the property was vacated.
2. Current residents of other properties owned by Columbia Housing.
3. Participants of the Housing Choice Voucher Program administered by Columbia Housing.
4. Other qualified Section 3 residents of the City of Columbia.
5. Other qualified Section 3 residents of Richland County.
6. Other qualified Section 3 residents of Lexington County.

Contractor Requirements - Contractors and subcontractors shall be required to submit a notice of intent to comply with the Section 3 regulations within all contracts. The notice is to be sent to Columbia Housing Resident Services Department. The notice is also to be posted in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference. The notice shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each and the name and location of the persons receiving the referrals for each of the positions, and the anticipated date the work shall begin.

The contractor shall, to the greatest extent feasible, give preference to Section 3 Residents when hiring any full-time employee for permanent, temporary or seasonal employment under the contract. Contracts in excess of \$250,000 shall have an establishment number of Section 3 positions to be created under the contract.

The contractor will be deemed to be in compliance with the training and employment requirements of the Section 3 Policy if 25% of all hours worked on the project are worked by Section 3 qualified individuals or employees of a Section 3 business concern including 5% of hours worked by targeted Section 3 workers. The contractor is responsible for complying with the requirements of this policy in its own operations and for assuring compliance in the operations of its subcontractors.

Contract Preference for Section 3 Business Concerns - The contractor shall, to the greatest extent feasible, give preference to Section 3 Business Concerns when entering into any contract for the work of the Project.

Certifications and Assurances - The form of contract executed by Contractors/Subcontractors will include the requirements set forth in this policy. The contractor shall be required to submit all documentation prior to payment for any services.

- **Notification of Section 3 Opportunity** – This notice may be submitted upon notification of contract award but no later than 30 days from the effective date of the contract. It may also be submitted at anytime during the term of the contract as additional Section 3 opportunities arise.
- **HUD Form 4736B Certification of Eligible Section 3 Worker** - A separate form is to be submitted for each Section 3 worker.
- **HUD Form 4736** – Certification of Targeted Section 3 Worker – A separate form is to be completed by each applicable worker. Columbia Housing will verify and certify that the individual is a Targeted Section 3 Worker.
- **HUD Form 4737A** – Utilization Tracker Section 3 Labor Hours – A single form is to be submitted listing all Section 3 workers as noted on the form.
- **Section 3 Business Concern** – Submit this form if the contractor/subcontractor is a qualified Section 3 Business Concern as defined above.

Marketing Efforts

Columbia Housing will market the Section 3 policies to Residents and Program Participants through posting of information on its website; posting of notices at CH offices and developments; and issuance of flyers describing employment and training opportunities.

CH will also provide notices at strategic locations within the community where people gather (i.e., schools recreational facilities, and area churches). CH will also inform community leaders, contractors, political leaders and interested community organizations of the Section 3 and MBE/WBE hiring commitments.

Termination

The contractor or any of its subcontractors may terminate the employment of a Section 3 Resident or the contract of a Section 3 Business Concern for good cause, provided that the contractor or subcontractor first notifies CH in writing of the proposed termination and the specific reasons for dismissal. If any Section 3 Resident employed by the contractor or a subcontractor pursuant to this Provision leaves or is terminated from such employment, or if any Section 3 Business Concern fails to perform under its contract or its contract is terminated, CH shall require the contractor and/or its subcontractor to employ another Section 3 Resident or contract with another Section 3 Business Concern in order to remain in compliance with the requirements of this Policy.

Department of Labor Requirements

Contractors subject to the Section 3 Resident Employment Provision are also required to comply with Executive Order 11246, as amended by Executive Order 12036 and the Department of Labor regulations issued pursuant thereto (41 CFR chapter 60), which provide that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in all phases of employment during the performance of Federal or Federally-assisted construction contracts.

Sanctions

If contractors or subcontractors do not comply with Section 3 mandates, CH will address the issues promptly. All sanctions against any contractor should be based on the signed contract and the requirements set for the in this document.

Performance Standards

On each construction job site, it is expected from the contractor/subcontractors, that all referred and hired Section 3 Residents will be treated with the same respect and consideration that is demonstrated toward non-Section 3 Residents.

At no time should there be any disparity in hours worked per day, nor days worked per week, unless both contractor and employee agree upon it. Violation of these performance standards by the general contractor and its subcontractors will be interpreted as violation of contract agreement.

Payment in Lieu of Section 3 Hires

If a contractor is unable to meet the required Section 3 benchmarks specified under their contract or in this plan, for any of the following reasons, Columbia Housing, at its sole discretion may approve a payment in lieu of Section 3 hires.

1. There are no new hires throughout the life of the contract and current employees of the contractor/subcontractor over the past five years do not meet the income requirements of a Section 3 eligible worker..
2. CH Resident Services has been unable to provide Section 3 targeted worker referrals with the necessary skills for required for the work under the contract.
3. The contractor/subcontractor has put forth their best efforts to the greatest extent possible to identify Section 3 qualified workers/businesses within the City of Columbia and Richland County but has been unable to identify the necessary skilled workers.

The payment in lieu of Section 3 hires shall apply to all contracts in excess of \$10,000 and shall be paid as follows:

- 3% of contract amount for contracts greater than \$10,000 and less than \$100,000
- 2% of contract amount for contracts greater than \$100,000 and less than \$250,000
- 1% of contract amount for contracts greater than \$250,000 and \$10 million
